

PLANT HAWKE'S BAY

With Our Locally Grown Trees & Shrubs

Farm Landscape Plans – How We Can Help You

At Plant Hawke's Bay, we create practical, tailored planting plans using your existing farm maps — including land use, fence lines, and biodiversity areas. With local experience since 2005, we design the right tree for the right place on your land.

Your Customised Plan Includes:

- Shade and Shelter Planting
- Fencing Off Native Bush & Wetlands
- Riparian Corridor Planting
- Production Forestry for Succession Planning
- Native Species in the Right Spots

A Paddock-by-Paddock Approach

We break the work into bite-sized, budget-friendly steps.

Then you can integrate it into your yearly farm plan so planting becomes part of everyday business.

What You'll Get:

- A detailed map of your farm with planting zones
- A brief summary document outlining each project

Extra Support Available:

We can connect you with experts in:

- Tree planting & maintenance
- Weed & pest control
- Forestry planning
- The Emissions Trading Scheme (ETS)

Great News! Your landscape plan fits your bank's green loan scheme.
